HOISTING

CAPSTAN HOIST INSTALLATION - MOUNTING TO TRAILER HITCH WITH SWIVEL BASE

Parts required:

1. **#T308-0999** - Mount, Hitch-Receiver, Capstan
2. **#C308-0903** - Base, Swivel Mount, Capstan
3. **#C308-0890** - Bracket, C-, Capstan Hoist

Align the "C" Bracket to the Swivel Base with the flat side (1000# marking) toward the pivot bolt and fasten into place with the hardware included. Fasten the Swivel Base to the Receiver Hitch with your 1/2", grade 5 hardware, not included. Install the Capstan Hoist with the Drum over the pivot bolt of the Swivel Base. Align the Capstan Drum perpendicular to your load and you are ready to begin hoisting.
